

Musical is worth shouting about

REHEARSALS are underway for this year's Victorian amateur musical premiere of *Shout! The Legend of the Wild One*.

Proudly presented by the newly reformed Williamstown Musical Theatre Company (WMTC), *Shout!* celebrates the history of rock 'n' roll in Australia using the story of Johnny O'Keefe, his music and the music of the times.

It features over 30 great songs, including Johnny O'Keefe standards such as 'She's My Baby', 'Wild One', 'Right Now', 'So Tough' and the title song 'Shout!' in a vivid

stage musical that celebrates rock and roll.

With a cast of 29 from all parts of Melbourne, *Shout!* is a must-see musical event, a celebration of Australia's music history with enough sound and light, colour and razzle-dazzle for a full night's entertainment.

Shout! opens on Friday, 27 October and runs until Saturday, 18 November at the Williamstown Mechanics Institute.

Tickets are available by calling 1300 881 545 or by visiting WMTC's website at www.wmtc.org.au.
